BLACK BOX THEATER

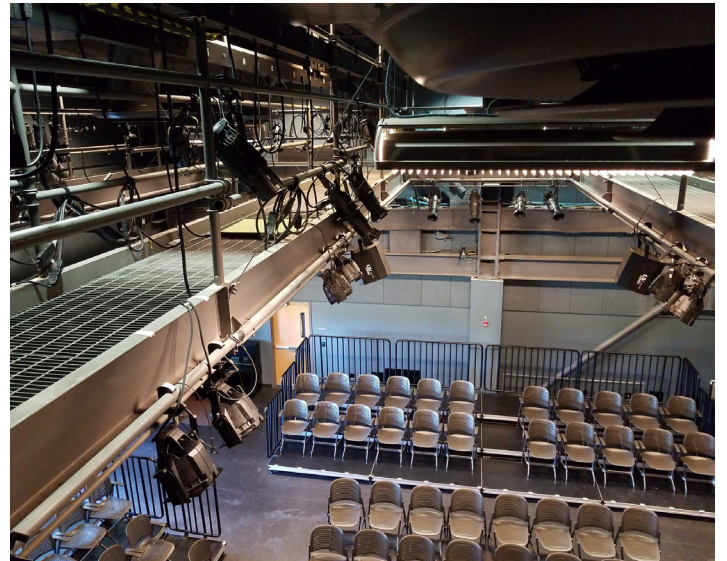

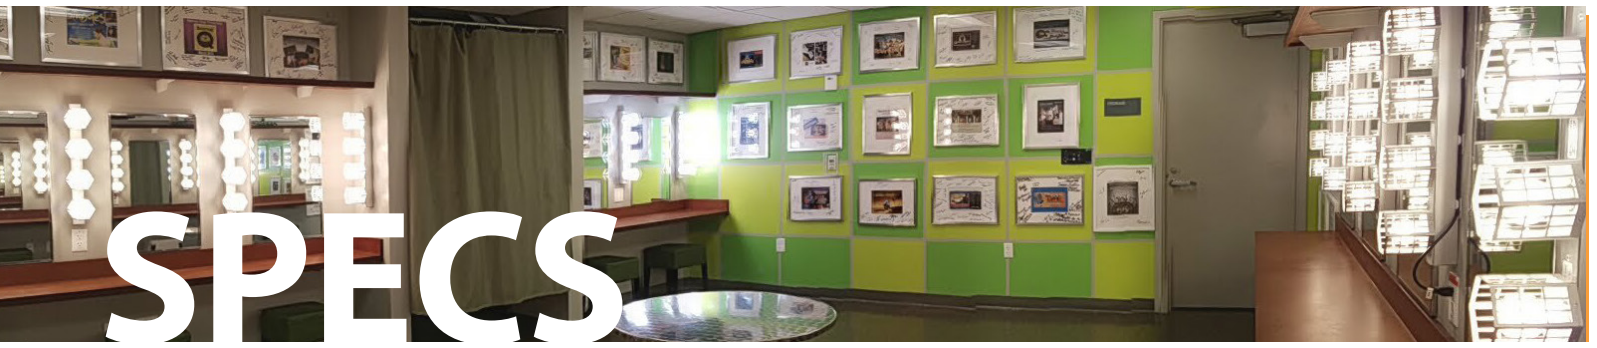

ABOUT

What is the Black Box Theater?

The City of West Sacramento's Black Box Theater was built to serve the performing arts community. It provides a flexible and modern rental space that can accommodate a variety of events from an awards banquet to a full theatrical production. By providing a quality venue for artistic expression, it vitalizes the arts in our community. Professional staff work closely with each renter to ensure their event is successful. The Black Box Theater is available year-round.

Amenities at a glance

Availability Year-round, Monday thru Sunday, 8am to 12am

Empty floor space 2080 square feet, without risers or chairs

Floor composition Black, Sprung Wood, Workable

Seating Capacity Up to 150 depending on flexible placement of chairs with or without risers

Dressing Room/Green Room: 360 square feet with 11 makeup stations and a private bathroom

Lighting Basic Rep Plot and up to 75 instruments are included. Renter may add additional lighting equipment. Includes ETC ION Lighting Control System with 100 dimmers. A full catwalk for instrument access eliminates the need to use ladders to adjust lights.

Sound Equipped with a 5-speaker sound system with a 20-input mixer and 8 wireless microphones

Communication Built-in wired Clear-Com intercom with flexible placement of 5 stations anywhere in the theater including the control booth, catwalk, and backstage. Video and audio monitoring of the theater is provided in the control booth, lobby, and green room. Stage Manager positions can be in the control booth/backstage.

Patron Accommodation The theater is wheelchair accessible. A Listen Technologies active listening system provides individuals the option of using a wireless receiver to enhance the sounds in the theater.
